The accompanying Press Communique, dated 16th March 1932, issued by the Government of India, Department of Education, Health and Lands regarding Haj Pilgrimage is published for the general information of intending pilgrims to the Hejaz.

Press Communique.

In a Press Communique, dated the 23rd January 1932, it was stated that the Hejaz Government would, for this year's Haj, collect at gold rate all charges included in their pilgrimage tariff, which was then estimated at about Rs. 800, allowing a resonable margin for the transport charges which had not been fixed, and that the expenses of a pilgrim, including the cost of his railway and steamer tickets and food both ways would calculated at the rate of Rs. 20 per gold pound, amount to Rs. 1,100. Statements have since appeared in the Press casting doubts on the accuracy of this estimate and asserting that Rs. 750 will, as in the past, suffice for a pilgrim's expenses. The Government of India have, therefore, obtained further confirmation from His Britannic Majesty's Minister at Jedda that the decision of the Hejaz Government to collect all charges shown in their tariff on a gold basis at the current market rate has not been altered and that the facts stated in the previous Communique are correct. If a pilgrim performs all his journeys in the Hejaz by camel and without luggage and practises most rigid economy, he may be able to perform the pilgrimage for Rs. 900 as an absolute minimum, but in no other circumstances will the cost of the pilgrimage this year be less than Rs. 1,100 per pilgrim. As it is reported that many pilgrims have already arrived in Jedda with smaller funds than this and will in conseqnence be put to great distress, all intending pilgrims are warned of the facts of the case. They should understand that if they arrive with inadequate funds, they cannot be given any financial assistance by the British Legation nor can they expect any remission of dues payable under the Hejaz Government's tariff.
